All times are Western Africa Time (WAT)

MONDAY, February 28, 2022		
4:00-5:00 pm	 Taste of LocWorld	<p>We are happy to announce that we are offering a Taste of LocWorld networking session, at no cost. If you would like to come and see what online LocWorld networking might be like, please come! If you have already registered, this is a great time to get acquainted with the Remo networking platform the conference will use. If you have been to a LocWorld before but would like to take this opportunity to network, you are cordially invited to join in. While the session is mainly for you to network, we will introduce several people who are attending, so that you get a feel for people you will meet at LocWorldWide46 Africa.</p> <p>Location: Remo.</p>
MONDAY, March 7, 2022		
6:30-8:00 pm	 Newbie Gathering and Opening Reception	<p>Let's get this conference started on the right foot! The Opening Reception and Newbie Welcome is open to all LocWorldWide46 Africa attendees. The second "floor" of the networking site will be hosted by Aki Ito and is specifically designated for all conference newcomers. Everyone is invited and encouraged to visit this area to meet our new attendees, answer their questions, and get to know them. The remainder of the networking site is for everyone (new and old) to meander through the tables and meet colleagues and friends.</p>
